SUMMARY Product and visual designer combining visual communication, illustration and hands-on AI prototyping to turn complex workflows into clear, useful tools. I take ideas from concept to working product: Giuson, the recruitment assistant I built, is used daily at Alut.

EDUCATION **B.Des, Visual Communication Design**
Shenkar College of Engineering, Design and Art
2022 – 2026

Claude Code Course
The Open University of Israel
2026

EXPERIENCE **Designer & Content Creator**
Alut, The Israeli Society for Autistic Children · Recruitment Department
Jul 2025 – **Present**

- Designed and built **Giuson**, an AI recruitment assistant that replaced three separate sources with one tool. Used daily by recruiters and field staff.
- Created **Alutit**, an illustrated recruitment character used across social media, video, campus events and merchandise.
- Build internal AI workflows and produce campaign visuals and social content.

House Manager
Alut · Residential Services
2020 – 2024

- Managed a residential home for eight autistic adults, with full responsibility for daily operations and resident wellbeing.
- Led and coordinated the counselor team.
- Acted as the central point of contact between families, the professional team and hostel management.

Coordination & Liaison NCO · Staff Sergeant
IDF · Mandatory Service
2018 – 2020

- Worked with Palestinian civilians in the Tulkarm area. In the final year, filled an officer-level position: led meetings with Palestinian liaison representatives and oversaw the office's daily functioning and the services provided to civilians in the area.
